# Online Recruiting and Hiring Made Easy

NexstarRecruiter is an applicant tracking system (ATS) that helps companies post jobs online, manage applicants and hire great employees. With our easy-to-use online tools, we can transform the way your company finds new talent. Built for companies of any size, NexstarRecruiter makes posting jobs online a breeze. Accept resumes and sort through applicants in a few clicks.

With the best and most flexible pricing around and support beyond compare, you'll find a team that is ready to dive in and help in any way we can to make your NexstarRecruiter experience as easy and seamless as possible.

Simplify your hiring process with NexstarRecruiter

Post jobs online

- Manage your entire hiring process from posting jobs, to organizing and sorting applicants, to interviewing and onboarding.
- With the click of a button, post to multiple free or paid job boards including NexstarJobs and Craigslist.

Organize applicants

- Manage your online job postings quickly and easily with a rich administrative interface.
- Keep track of notes and applicant status for each person.
- Pass resumes to other managers for review, send mass "Thanks but no thanks" letters automatically, and design your own custom email templates.

Hire great employees

- Protect your business with criminal background, drug screen and SkillSurvey reference checks.
- Rank your applications to keep track of promising candidates throughout the hiring process.
- With full customization, help your company hire the way you want to.
