

## Maximize Your Hiring Experience with Crimcheck

Crimcheck offers pre-employment verification and background screening services.

### Benefits of integrated background checks:

- ✓ Order, manage, review, and store background screening reports for your candidates right in your account.
- ✓ Save your staff time and money in the pre-employment screening process with Crimcheck's applicant self-service background checks.
- ✓ Pick a background check package that best fits your security and verification needs.

### We offer the following background check packages and services:

**Basic Package** — Criminal background check, social security number trace, and sex offender check

**Basic Package + Driving Record** — Plus driving record

**Complete Package** — Plus education verification and employment verification

**Executive Check** — Plus federal criminal search, federal civil search, and federal bankruptcy check

**Complete Executive Check** — Plus office of inspector general, office of foreign asset control, professional reference checking, and professional license verification.

**5-Panel Drug Screen** — Screen for amphetamines, opiates, phencyclidine, cocaine, and marijuana. Applicants will be directed to the drug screening facility nearest their location.

**10-Panel Drug Screen** — Screen for Amphetamines, opiates, phencyclidine, cocaine, marijuana, barbiturates, methadone, benzodiazepines, propoxyphene, and methaqualone. Applicants will be directed to the drug screening facility nearest their location.

\*Custom packages are available.
