

APPLIEDIFY APPLICANT TRACKING SYSTEM

One-Way Video Interviewing Transforms Candidate Screening

Appliedify offers asynchronous video interviewing services through our partner, WedgeHR.

GOODBYE PHONE SCREENING

Get a sense for the human behind the resume with asynchronous video interviewing. Take a more flexible approach to candidate evaluation by inviting candidates to record their interview on their own time, then review on yours.

- Never schedule a “time to talk” again
- Improve your screening speed and quality
- Share videos across the hiring team
