

HIRE ON THE GO APPLICANT TRACKING SYSTEM

Premier Integrated Feature Partners

Hire on the Go enables a seamless recruiting process. Hire the best people faster with integrated features, including pre-employment assessments, reference checks, video interviewing, background checks, and more.

PREMIER INTEGRATION PARTNERS

SkillSurvey Reference® makes reference checking simple, and helps you get meaningful feedback – fast.

Wedge video interviews turn recruiters into superheroes. Wedge makes it easier to identify top talent. Anytime. Anywhere.

Corvitus' pre-employment skills testing and assessments ensure you make a quality hiring decision

Crimcheck helps you protect your company with comprehensive, accurate and compliant background screening solutions.

In addition to our preferred integration partners, our system connects with Slack, Gmail, Outlook, Office 365, Cangrade, Wufoo Forms, and many more – or connect to your favorite third-party vendor with our Open API.
