Evaluate Candidate Potential with Pre-Employment Assessments

Our partners, Corvitus, offer pre-employment assessments that deliver useful and practical information about a candidate's potential. Corvitus delivers customized pre-employment personality, culture-fit, ability, and situational assessments so you can hire to consistent standards across all levels, regions, and departments.

EXPEDITE DECISIONS

Scale your hiring with a high-quality, structured interview process.

REDUCE TIME-TO-HIRE

Focus on the qualified candidates to cut your time-to-hire by 50%.

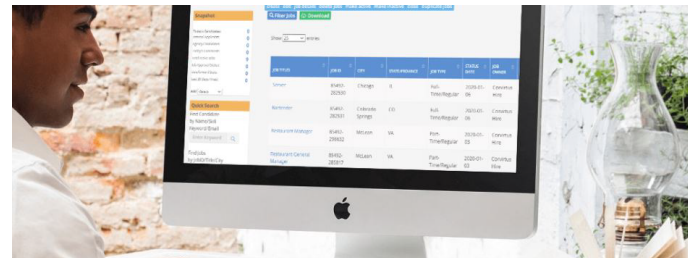

INCREASE RETENTION

Hire the right candidate the first time and decrease employee turnover by 58%.
