# Beyond the Average Reference Check

SKILLSURVEY

$19

per applicant

SkillSurvey Reference® makes reference checking simple, and helps you get meaningful feedback – fast.

Their cloud-based, data-driven solution is integrated into SkoolSpot to provide you with key insights to the core competencies and behaviors that are key predictors of job success. Reduce turnover and improve post-hire performance, while adding efficiency to your recruiting process with SkillSurvey.

IMPROVES THE CANDIDATE EXPERIENCE

Use data-driven insight to help guide your interview process and make more strategic decisions when bringing new talent onboard.

REDUCES EMPLOYEE TURNOVER

Research shows using automated reference checks show turnover can be reduced by more than 35% within the first year.

EFFICIENT & COST EFFECTIVE

Free your hiring teams from phone-tag, data collection, and reporting tasks – so they can focus on finding great candidates.
