# Guided Setup & Implementation

Welcome to PrismHR Hiring, the recruiting software that will transform the way your clients find and hire talent. We're here to help you get started with the service.

Our implementation specialists empower you and your team with a hands-on approach to training.

## IMPLEMENTATION

PrismHR Hiring provides a Guided Setup Implementation package designed to train your team on customized workflows, how to view the PEO dashboard, and will ensure you're confident using the many features the applicant tracking software has to offer.

**Guided Setup**  
**\$575**

The following standard services are included:

- Link to pre-recorded new user training video
- Discovery call (optional)
- Guided setup and Q&A call with an implementation specialist
- 30 min. post-go-live Q&A call and practice task list
- Additional customization options available
