

PRISMHR HIRING

Recruiting Simplified and Seamlessly Integrated with PrismHR

PrismHR Hiring is easy-to-use online recruitment software will transform the way your organization finds your next team member. Move resumes out of the spreadsheet and into the cloud.

Our adaptable yet approachable system is fully integrated with PrismHR and backed by premium support to make your recruiting experience as easy and seamless as possible.

FEATURE-RICH HIRING SOFTWARE

An applicant tracking system (ATS) to help your organization post jobs online, manage applicants, and hire great employees.

ATTRACT TALENT

Showcase your brand and create a positive candidate experience.

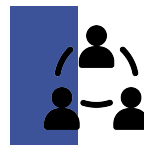

Create job listings with custom screening questions, post to free or paid job boards, and accept applications on a custom, embeddable, and mobile-friendly careers page.

AUTOMATE HIRING

Save time and resources with the power of recruiting technology.

Use applicant tagging to filter candidates based on application responses, send “Thanks but no thanks” emails, and integrate your favorite workflow tools.

TEAM COLLABORATION

Easily manage the hiring process across the entire team.

Get the hiring’s team input with averaged star ratings, apply advanced user permissions, and create custom job requisition approval workflows.
