

Guided Setup & Implementation Accelerates Your Hiring

Welcome to Hire on the GO, your source for Hiring Happiness™! We're here to help you rethink the way you hire. Our implementation specialists empower you and your teams with a hands-on approach to training. Our Guided Setup service provides training and customized implementation to get you started off on the right foot.

“I want to thank you for all your assistance getting us up and running. It is going to make a huge difference with our external recruiting process.” - Chris, HR Generalist

Our Guided Setup Implementation package is designed to train hiring managers on customized workflows, ramp up your ability to hire, and ensure you leverage the many features your applicant tracking software has to offer.

\$749

THE FOLLOWING STANDARD SERVICES ARE INCLUDED:

- Discovery call
- Guided setup and Q&A call with an implementation specialist
- 30 min. post-go-live Q&A call and practice task list
